Attention: Darla Blake, Chief Administrative officer

Dear Ms. Blake,

This letter is a formal request to have an item for discussion put on the agenda for the October 10, 2013 meeting of the Board of Directors. We have experienced a lot of problems with air travel for our patients, staff and other visitors. We are quite sure this has affected more than just the Nuxalk Nation. We are looking for solutions in the long and short term and would like to have the opportunity to discuss some potential solutions with the CCRD. This would also be a great opportunity to discuss other issues of joint concern. Please contact Wanda Wilson, Executive Director of Administration directly to confirm a time on the agenda and also to call if you should have any questions.
