

CENTRAL COAST REGIONAL DISTRICT

BYLAW NO. 402

A bylaw to convert the function of Refuse Disposal to a service in Electoral Areas C, D & E of the Central Coast Regional District.

WHEREAS by Supplementary Letters Patent dated January 9, 1975 the regional district was granted the function of Division 14 - Refuse Disposal - with Electoral Areas C and D as participants;

AND WHEREAS the *Local Government Act* authorizes the regional district board to convert a function established by Supplementary Letters Patent to a service exercised under the authority of a bylaw establishing the service;

AND WHEREAS the board wishes to convert the function of maintaining, operating and regulating grounds for the disposal of refuse to a service for establishing, developing, operating, managing and maintaining a solid waste and recycling centre with Electoral Areas C, D & E as participants;

AND WHEREAS, the board has obtained the required consent of a least 2/3 of the participants of the original function;

NOW THEREFORE the board of the Central Coast Regional District, in open meeting assembled, enacts as follows:

1. The function of maintaining, operating and regulating grounds for the disposal of refuse as provided by Division IV - Refuse Disposal - of Supplementary Letters Patent dated January 9, 1975 is hereby converted and established as a service for establishing, developing, operating, managing and maintaining a solid waste and recycling centre.
2. The boundaries of the service area for the service established by this bylaw are the boundaries of Electoral Areas C, D & E.
3. The participating areas shall include Electoral Areas C, D & E.
4. The annual cost of providing the service shall be recovered by either or both of the following:
 - a) the requisition of money to be collected by property value taxes levied on the net taxable values of land and improvements in the service area;
 - b) other fees and charges as may be fixed by separate bylaw.
5. The maximum amount that may be requisitioned annually for this service shall be \$1.00 per \$1,000 net taxable value of land and improvements in the service area.
