Meeting commenced at 12:00 at the Literacy Centre

1. Staffing – Discussion focused primarily on the Pool Manager/Administrator position, which is still open. Due to difficulties in filling the Pool Manager position, an Administrator may be hired for 15 hours per week to do scheduling and paperwork, starting at a base rate of \$18/hour.

Connie will contact Jared Tippie to see if he might be interested in managing. Nicola will contact Caitlen Dionne. If these do not work out, Connie will phone the Life Saving Society for suggestions. Christina will phone the pool in Williams Lake.

The Commission requests that Wendy change the NLS listing to “Bella Coola Valley” instead of “Hagensborg”.

After the Manager/Administrator is hired, the guards will be hired.

2. Computer Purchase – Wendy has looked into a computer with Windows 2010 capability which is available for \$750. The Commission would like it to be purchased.

3. Phone Internet Hook-up – The Commission would like Wendy to ask CCCS for cost of service for three months.

4. Pool Start-up – Ken will have the water turned on and organize the jobs needed for opening the pool. Please, Wendy, arrange for phone hook up by May 1st.

Meeting adjourned at 12:40 pm.
