

Pool Commission
Minutes
23 January 2014

Present: C. Nygaard, Nicola Koroluk, Janice Kyle, Joan Cole

Meeting commenced at 12 noon at the CCRD Office

1. AED – Coleen Fraser phoned Heart and Stroke and confirmed that one device is coming to be located at the pool.
2. Calendar and Advertising – The pool is projected to open on 2 June with the season ending on 22 August.

Manager position to be posted by the middle of Feb. in the CMN, Red Cross and NLS web pages.

Start Date: May 5, 2014.
Application deadline: March 31, 2014.

Other Position can be advertised in mid March
Application deadline: April 30th
Start dates will vary.

Edit last year's postings.

3. Trees/shrubbery – BC Hydro has a program making available trees etc for public locations. Ken will apply for some for the pool. Suggestions included putting plants in large pots, having berry plants (kids love them), considering non-invasive species, and located on the west end of the lot.
4. Janice will liaise with Wendy concerning Healthy Communities Capacity Building grants.
5. Bathroom Locks – Ken has information on where to obtain them and is pursuing this further.
6. Policy A-9 Facilities Inspection – The Pool Commission has reviewed the changes as amended by Ken and will submit these changes to Wendy for incorporation into the policy statement. The only concern the Commission had was with the closing schedule: something (logs) should be in the pool to prevent freezing expansion damage.

Meeting adjourned at 12:45 pm.
