**E-4 - Regional Perspective on Board Operation**

**Preamble:** The CCRD Board relies on input from individual members on matters relating specifically to an electoral area or beyond the electoral area. In many cases, and indeed in most cases it is not practical for other Board members to become conversant with all the details of the matter. Nonetheless, the Board decisions relative to one electoral area influence what may or could result in another area, by way of precedent or otherwise.

**Policy:** That the Central Coast Regional District Board relies considerably on input from, and the viewpoint of, each member, it must not lose sight of the fact that matters should be approached with regional overview in mind, in keeping with the very concept of regional government.
