PART II – POLICY MATTERS

(B) LOCAL GOVERNANCE MATTERS

Administrative Services

(a) 2011 Strategic Priorities

The Chief Administrative Officer spoke to the 2011 Strategic Priorities, which were presented reflecting changes as directed at the March 10, 2011 meeting.

Protective Services

(b) Emergency Planning – Enhanced Flood Response Plan Proposal

The Chief Administrative Officer advised that there were still outstanding questions with regard to funding from Emergency Management BC for an Enhanced Flood Response Plan. In particular, whether and how to cover costs associated with the administration of a contract with EMBC. EMBC typically does not deem eligible the costs of staff and other internal resources associated with contract administration. The proposal submitted by Spiritscape Ventures Ltd. raises a number of questions in this regard. Directors agreed that

the proposal from Spiritscape Ventures Ltd. be considered at the April 2011 regular meeting, in anticipation of additional information being available regarding administration of a proposed contract.
